

REVIEW OF MARKING

Candidate Consent Form

Bournemouth School
Centre No 55119

If your examination centre makes an enquiry about the result of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised so that your final grade may be higher than the original grade you received.
- Your original mark is lowered so that your final grade may be lower than the original grade you received.

In order to proceed with your enquiry, you must submit payment via wisePAY, complete and sign the form below and return it to the Examinations Office.
