

Bournemouth School has a Governing Body, the composition of which is set out in the Academy's Articles of Association. The Academy has four main Governor Committees: Resources, Audit, Student Experience and Futures to which Governors are appointed. The Academy will also call on members of the Governing Body to sit on a Staff Dismissals Committee and Staff Dismissals Appeal Committee on an ad hoc basis should either committee be required. The Governing Body and its Committees have Terms of Reference which are reviewed annually and contain details of meeting dates, compositions, responsibilities, delegated authorities and matters reserved for the Governing Body itself.

Governors are appointed for a four year period, except that this time limit does not apply to the Headteacher. Subject to remaining eligible to be a particular type of Governor, any Governor can be re-appointed or re-elected.

A chairman and vice-chairman are elected at the AGM (held in December) from the governors' and hence are appointed for a one year period.

Governors who are also Members are noted in the table below.
